Dear Sir/Madam,

Subject- Display of Information by HFCs & Most Important Terms and Conditions

Please refer to our Policy Circulars No. NHB(ND)/DRS/Pol-No.54/2012-13 dated April 05, 2013 on obtaining a documents containing the **Most Important Terms and Conditions (MITC)** and NHB(ND)/DRS/Misc. Circular No.12/2013 dated May 08, 2013 on advising the HFCs to upload the **MITC on their website** for promoting transparency in the operations of housing finance companies.

2. In order to promote transparency in the operations of HFCs, various instructions have been given by NHB to HFCs towards display of various key aspects such as service charges, interest rates, services offered, product information, time norms for various transactions and grievance redressal mechanism. However, it was observed that many HFCs were not displaying the required information due to space constraints, lack of standardization of the instructions etc. Accordingly, the following instructions are issued to HFCs.

(I) NOTICE BOARDS :

3. It is felt that rationalization of the existing instructions could be best achieved if the instructions were clubbed on certain categories such as 'customer service information', 'service charges', 'grievance redressal' and 'others'. It is also felt that there may not be any need to place detailed information on the Notice Board and only the important aspects or indicators to the information to be placed.

4. Accordingly, the existing mandatory instructions have been broadly grouped into four categories mentioned above and given in a **Comprehensive Notice Board** which has been formulated. The format of the **Comprehensive Notice Board is given in the Annex.-I**. The minimum size of the Board may be 2 feet by 2 feet as Board of such a size would facilitate comfortable viewing from a distance of 3 to 5 meters. **HFCs are advised to display the information in the Notice Boards of their Branches/Offices as per the format given for the Comprehensive Notice Board.**

5. While displaying the information in the notice board, HFCs may also adhere to the following principles:
